Regarding the following:
P. G. & E. Case # 19-30088 (DM)
Chapter 11
Docket # 9737
Claim # 1722
Bruce & Kathleen Shaw

I believe that we did not receive a fair and timely notice of our right to make our telephonic appearance of our case hearing on March 24, 2021 @ 10:00 am in your Court.

Even though we received hundreds of pages of information concerning this case, the first time that we were informed that we could have a telephonic appearance was sent to us by e-mail in the afternoon of March 23, 2021 less that 24 hours before the hearing. My wife and I are 79 and 75 years of age. We do not spend our evenings reading e-mail. The next morning by the time we had finished breakfast, the time of the hearing had already passed.

I believe Dara Silveira sent us this notice of appearance at such a late date and along with much other irrelevant information so that we would miss our chance to be heard in your Court. If there is any way that you can correct what I feel is an injustice, my wife and I would be most grateful for your consideration in this matter.

Sincerely yours,

Bruce & Kathleen Shaw
